

MyAccountants Installation Guide

1. Download **MyAccountants** (Developer: MyFirmsApp) from the relevant App Store.

<https://itunes.apple.com/au/app/myaccountants/id1317268476?mt=8>

<https://play.google.com/store/apps/details?id=uk.co.myfirmsapp.one.accountants>

2. Start MyAccountants and enter your email address on the Hello! page then press the Next button.
3. Next enter the Accountant Code **HARDMART** or scan the following QR the code with your device.

4. On the next screen it should say 'The code you have entered will link your account with Harding Martin'. If it doesn't press the Change Code link and repeat step 3 otherwise press the Continue link.
5. Finally you need to create an account by entering your details and pressing the Finish button.
6. The MyAccountants App should now start and show you the following screen.
